

IISER Bhopal

Indian Institute of Science Education and Research, Bhopal

Department Of Chemistry

Certificate of Completion

This is to certify that **Ms. Tanu Rana** pursuing M.Sc. in Chemistry in NIT Jalandhar has successfully completed Summer Training in **Department of Chemistry, Indian Institute of Science Education and Research, Bhopal** under my supervision during June 1 to July 26, 2015. During her training at IISER Bhopal, she worked on the "**Quantification of the hydrophobic interaction by Molecular Dynamics Simulations of the aggregation of small hydrophobic solutes in pure water and the mixture of cosolvents with water**". She has been extremely hardworking and sincere throughout this project. I wish her the very best for all her future endeavors.
